

## SOCIAL and PERSONAL

Word has been received here of the marriage of Miss Carol Decker of Lancaster, Mo., and Harold A. Decker, son of Mr. and Mrs. S. B. Decker of this city. The marriage took place Tuesday and was the culmination of a romance which began while Mr. Decker, accompanied by Snyder Kelly of Dunbar, was traveling with a circus. The circus disbanded in Lancaster, and Mr. Decker secured a position at a moving picture house. While there he met Miss Decker and the romance followed.

Mr. Kelly married Sunday after leaving Dunbar and later returned to Dunbar to reside. Last summer Miss Decker, now Mrs. Decker, visited at the Kelly home. Mr. and Mrs. Decker will reside at Midland, Pa., where Mr. Decker is the foreman of a steel mill at that place. The bridegroom is a member of the Connelville Military Band, and is a cornetist of ability.

The South Side Church Club was entertained last evening by Mr. and Mrs. W. D. McGinnis at their home in East Washington avenue. The close of the games luncheon was served.

Announcement has been made of engagement of Miss May Gladney of Trenton, N. J., and G. E. Hurst of New York, son of Mr. and Mrs. John Hurst of Scotland.

The C. L. Girls Club was entertained last night by Miss Isabelle Smith at her home in Ninth street, Greenwood. Fancy work was the amusement until a late hour when dainty refreshments were served.

Miss Gertrude Madigan entertained the Thursday Afternoon Card Club yesterday afternoon at her home in East Fairview avenue. Five tables were called into requisition and following the games Miss Mary Armstrong presided.

### NO "FRILLS"

Just a Statement About Food.

Sometimes a good, healthy commensal traveler suffers from poorly selected food and is lucky if he learns that Grape-Nuts food will put him right.

A Cincinnati traveler writes: "About a year ago my stomach got in a bad way. I had a headache most of the time and suffered miserably. For several months I ran down until I lost about 70 pounds in weight and finally had to give up a good position and go home. Any food that I might use seemed to nauseate me."

"My wife, hardly knowing what to do one day brought home a package of Grape-Nuts food and coaxed me to try it. I told her it was no use but finally to humor her I tried a little and they just struck my taste. It was the first food that I had eaten in nearly a year that did not cause any suffering."

"Well, to make a long story short, I began to improve and stuck to Grape-Nuts. I went up from 135 pounds in December to 194 pounds the following October."

"My brain is clear, blood all right and appetite too much for a man's pocketbook. In fact, I am thoroughly made over and owe it all to Grape-Nuts. I talk so much about what Grape-Nuts will do that some of the men on the road have nicknamed me 'Grape-Nuts,' but I stand today a healthy, rosy-cheeked man—a pretty good example of what the right kind of food will do."

"You can publish this if you want to. It is a true statement without any fluff."

The Grim Reaper

JAMES R. FREED.

The funeral of James R. Freed, a former Connelvillean, who died at Russell, Kansas, was held at that place on the 18th inst. George B. Freed of Connelville, a brother, was in attendance. The deceased left this section of the country when 10 years of age, removing with his family to Illinois. In 1876 he married Miss Mildred W. Ballard of Bloomington, Ill., and two years later moved to Kansas and engaged in farming near Russell. He acquired considerable prominence in the community, serving on the city council and filling the office of mayor of Russell for six years. He assisted in the organization of the Farmers State Bank, becoming a director and later chairman of the board. In recognition of his services in the latter capacity, the bank has recently declared the "James R. Freed" permanent fund.

**The First Glimpse of Spring Suits**

The latest importations of Parisian and American styles will be shown here tomorrow for the first time. Beautiful new Spring Suits in plain and novelty effects, prettily trimmed in pearl de cyme silk in plain and flowered designs.

A very prominent feature of the new Spring Styles are the many different coat variations—some have very tight waist line, with flaring hips; while others are more modest. The military tendency is very much in evidence.

Suits Priced at \$15 to \$50.00.

### SMALL FIRE DOES SOME DAMAGE AT MOUNT PLEASANT

Explosion From Gas Jet in Apartment and Burns Through Floor.

### INJURED BOY BROUGHT HOME

Returned After Treatment in Hospital for Wound to Eye Caused by Small Boys With a Hammer; Social Workers Addressed the Friendly Society.

Special to The Courier. MOUNT PLEASANT, Jan. 21.—At 6 o'clock this morning a gas light in the room of Mrs. Agnes Pore caught the ceiling and burned through the floor of the Boston store which is next to the Pore room. The fire department was called out and also the truck. Nothing but chemicals was used to extinguish the blaze. Mrs. S. C. Stevenson will on next Sunday afternoon at 2:30 o'clock address the people of the Second Baptist Church at that church on the life of Booker T. Washington. Jacob Abraham, the 12 year old son of Mr. and Mrs. Albert Abraham who was shot in the eye by some boys some time ago, was brought home from Pittsburgh yesterday where he had been taken for treatment. Adah Hopkins of the Margaret Morrison School, gave an address before the girls of the Friendly Society at the Elks club yesterday afternoon. She spoke on social work along different lines. She told how it had been managed in different places she had been and told that she had never been in a place that was like this so that she would not know just how to handle the situation here. Mrs. William Byers of Main street, fell yesterday and fractured her hip. Jack Morick of Hahn, after signing a paper to behave in the future, was released for the present on a surety of the peace charges brought by his wife, Mrs. Morick. The hearing was held before Justice of the Peace J. H. Walker. Mrs. George Parker of Scotland, is the guest of Mrs. Harriet Ruff. Mrs. Lydia Henfling was a caller in Greensburg yesterday.

### Colds Relieved Without Dosing

If you have tried "Internal" medicines "short" success, we want you to try the "External" treatment—Vick's Vapo-Rub. Salve. Apply hot wet towels over the throat and chest to open the pores, then rub Vick's on the chest and throat with a flannel cloth. The body warmly releases healing vapors that are inhaled with each breath, and, in addition, Vick's is absorbed through the pores. 25c, 50c, or \$1.00.

### SYRUP OF FIGS FOR CROSS, SICK FEVERISH CHILD

If Little Stomach is Sour, Liver Torpid or Bowels Clogged.

Mothers can rest easy after giving "Cathartic Syrup of Figs" because it is few hours all the clogged-up waste, sour bile and fermenting food gently moves out of the bowels, and you have a well, playful child again. Children simply will not take the time from play to empty their bowels, and they become tightly packed, liver gets sluggish and stomach disordered. When crows, feverish, restless, see of tongue is coated, then give this delicious "Fruit Laxative." Children love it, and it can't cause injury. It is a difference what ails your little one—it is full of cold, or a sore throat, diarrhoea, stomachache, bad breath, restlessness, a gentle "inside cleansing" should always be the first treatment given. Full directions for babies, children of all ages and grown-ups are printed on each bottle.

Beware of counterfeit fig syrups. Ask your druggist for a 50-cent bottle of "California Syrup of Figs." Then look carefully and see that it is made by the "California Fig Syrup Company." We make no smaller size. Stand back with contempt any other fig syrup.—Adv.

### THE GRIP

Grip is something of a joke to those who have never had it, but when they get it they become dead to all sense of humor. No disease was ever more appropriately named, because grip takes hold of the entire system. To get rid of it take Chamberlain's Cough Remedy and carefully observe the directions with each bottle. This remedy is highly recommended by those who have used it and know its real value. Obtainable everywhere.—Adv.

### FINDS NEW REMEDY FOR ECZEMA

Antiseptic Ueonal is credited with great success. The many sufferers from eczema in this vicinity will welcome the news that a new antiseptic has been discovered to relieve the itching and soreness almost as soon as it is applied, and which already has won for itself a remarkable record for its healing and curative properties in some of the worst and most chronic cases. Antiseptic Ueonal aims to kill the germs when applied to the diseased skin—to grow new, healthy flesh that is free from soreness and eruption. A liberal supply of antiseptic Ueonal can be had for not more than 50 cents at any good druggist, while A. A. Clarke sells it with a guarantee to refund the money if Ueonal does not do all that is claimed for it. Do not suffer longer with eczema or other skin troubles but use this scientific combination of healing, antiseptic agents combined in antiseptic Ueonal and get quick relief. For a free trial sample of Ueonal, write to Ueonal Products Co., Inc., Dept. F-1, Buffalo, N. Y.—Adv.

### EVERY THREE MINUTES ONE DIES IN THE U. S.

The Anti-Tuberculosis Society illustrates the frightful toll of consumption by extinguishing a light every three minutes, and shows that it is the man or woman, girl or boy, who neglects colds, who has blood impure, who feels weak and languid, who is the very one to contract tuberculosis—and none are immune. During changing seasons, or after sickness, blood-purity is most important, and if you and your family will take Scott's Emulsion after meals it will change your blood, with healthy, sustaining richness, quicken circulation and strengthen both lungs and throat. Scott's is free from alcohol—easy to take—cannot harm. Get a bottle today. Scott & Bowne, New York, N. Y. 15-23

### ITCHING NEARLY DROVE A WHOLE FAMILY CRAZY

Kansas City, Mo., Oct. 24, 1914.—"My husband had a rash all over his body, and soon the WHOLE FAMILY was in the same condition. It looked ugly and raised up on the arms and body in big bumps. This trouble burned and itched so that it would nearly drive one crazy. It was worse at night, so we could not sleep. We all had this trouble for about two or three years, and during that time tried many remedies and prescriptions with no results. We tried Resinol Ointment and Resinol Soap, and it RELIEVED ALL OUR TRoubles. The third jar of ointment had been used, we were all completely cured. It has been four months since we were cured, and there are no traces of the trouble." (Signed) Mrs. S. A. Clarkson, 1620 Law Ave.

## A Woman's Problem

How to Feel Well During Middle Life Told by Three Women Who Learned from Experience.

The Change of Life is a most critical period of a woman's existence, and neglect of health at this time invites disease and pain. Women everywhere should remember that there is no other remedy known to medicine that will so successfully carry women through this trying period as Lydia E. Pinkham's Vegetable Compound, made from native roots and herbs. Read these letters:—

Philadelphia, Pa.—"I started the Change of Life five years ago. I always had a headache and backache with beating down pains and I would have heat flashes very bad at times with dizzy spells and nervous feelings. After taking Lydia E. Pinkham's Vegetable Compound I feel like a new person and am in better health and no more troubled with the aches and pains I had before I took your wonderful remedy. I recommend it to my friends for I cannot praise it enough."—Mrs. MARGARET GRASSMAN, 709 N. Ringgold St., Philadelphia, Pa.

Beverly, Mass.—"I took Lydia E. Pinkham's Vegetable Compound, for nervousness and dyspepsia, when I was going through the Change of Life. I found it very helpful, and I have always spoken of it to other women who suffer as I did and have had them try it, and they also have received good results from it."—Mrs. GEORGE A. DUNBAR, 17 Roundy St., Beverly, Mass.

Erie, Pa.—"I was in poor health when the Change of Life started with me and I took Lydia E. Pinkham's Vegetable Compound, or I think I should not have got over it as easy as I did. Even now if I do not feel good I take the Compound and it restores me in a short time. I will praise your remedies to every woman for it may help them as it has me."—Mrs. E. KESLER, 931 East 24th St., Erie, Pa.

No other medicine has been so successful in relieving women's suffering as has Lydia E. Pinkham's Vegetable Compound. Women may receive free and helpful advice by writing the Lydia E. Pinkham Medicine Co., Lynn, Mass. Such letters are received and answered by women only and held in strict confidence.

**TONSILINE**

WOULD QUICKLY RELIEVE IT.

A quick, safe, soothing, healing, antiseptic relief for sore throat, inflamed tonsils, tonsillitis, and all throat troubles. Tonsiline is a powerful germicide and antiseptic, and it is also a soothing and healing agent. It is the only remedy of its kind, and it is the only one that is safe and effective. It is the only one that is quick and reliable. It is the only one that is pleasant and palatable. It is the only one that is easy to use. It is the only one that is affordable. It is the only one that is available everywhere. It is the only one that is the best.

## THE COKE TRADE NOT A QUESTION OF SUPPLY, BUT A VERY PRESSING ONE OF MOVEMENT

Double Shipments are Being Made to Maintain Consumer's Stocks.

FURNACES MAY HAVE TO BANK

It Seem Car Supply and Other Factors Troubles Continue Much Longer; Price Receivers Quickly Following Settlement of Youngstown Trouble.

Special to The Weekly Courier. PITTSBURGH, Jan. 20.—The coke supply here has been very short since the beginning of the week, many divisions only offering operators 50 per cent. of their requirements. The extremely cold weather has had a tendency to restrict production, by making the men less efficient and decreasing machinery efficiency. The chief cause of the shortage is the car supply. A combination of circumstances has operated to make the railroad short of cars. A great many cars are tied up in the east, loaded with coal. Some of the roads are decidedly short of motive power. The yards are more or less congested, and the cold weather this week has made everything move more slowly.

If the scant car supply keeps up during the week many blast furnaces will undoubtedly be forced to bank by the end of the week. There have been occasional banking of furnaces for a day or two at a time in the past fortnight, but nothing so serious as now confronts the industry. All the rectangular push ovens and some of the beehive ovens are equipped with mechanical drawing devices whereby it is impossible to stock coke, and drawing must proceed in accordance with car supply. Other ovens can stock coke if not provided with such devices, but the production must operate to curtail production. Operators who have both types of ovens are being the railroad deliver full quotas to those that must load or not draw coke, while at the other ovens coke is stacked.

In a few instances furnaces have asked operators to make double shipments, cutting the coke different ways so as to have both types of ovens supplied getting to destination, but coke supplies are not so plentiful as to move operators to make such requests, particularly as to do so would be to invite requests for suspension later when the various batches of coke changed to arrive.

There is no regular market for spot coke and there is not likely to be for some time, as the question is not so much of coke supplies as of coke movement. If the coke can be moved the furnace is likely to be able to get it from its regular source of supply on contract. A few of the operators, of course, chance to be better positioned than others with respect to coke supplies and are able to supply coke that they can get through to destination they may be able to secure fancy prices for it.

The coke market was quick to recover from the 50-cent drop that occurred when the strike at certain Youngstown level furnaces were in operation a fortnight or more ago. The low level seems to have been \$2.50, but Thursday of last week instructions were received to resume shipments to the remainder of the furnaces that had been banked, and on Friday a lot of about 1,000 tons of coke, for shipment by the end of the week, sold at \$3.00, the old price. This week there has been practically no coke offered, but there has been very little inquiry thus far. A lot of about a thousand tons sold yesterday at \$2.25. Of coke may possibly be had for less, but it is not in demand. Difficulty has been experienced in loading heating coke and even it commands high prices. Foundry coke is sold in some quantities to be off a little, but makers of the same prices are able to secure the same prices as formerly, and the market as a whole figures are largely nominal.

### COKE TRADE SUMMARY

The Connellsville coke trade has encountered a series of unfavorable conditions which are trying the patience of the merchant operators and are becoming almost an annoyance to consumers. Beginning with the Russian holidays, generally celebrated throughout the region, and ending with the cold weather and a short car supply, the manufacturers have been unable to push their business as they had hoped. Shipments aggregated 410,000 tons last week but it is estimated production was 10,000 tons higher, the difference representing coke stocked by some of the merchant plants, chiefly in the Lower Connellsville region.

The spot market has recovered from the 50-cent drop occasioned by the Youngstown strike. The problem of the buyer is now to get deliveries. Some furnaces are getting deliveries in advance over separate routes, in an effort to insure ample supply of furnace fuel.

### "FAGGED OUT" WOMEN

Will Find a Helpful Suggestion in This Letter.

Overworked, run-down "fagged out" women who feel as though they could hardly drag about should profit by Mrs. Carter's experience. She says: "I am the mother of six children and I got so weak and run-down that I couldn't eat anything and it seemed almost impossible for me to get around and do my work. I tried different doctors' remedies without benefit. I saw Vinol advertised and decided to try it, and received so much benefit from the first bottle that I continued to take it, and it has built up my strength and made me strong and well. I consider Vinol the best medicine I have ever taken, and advise all weak, run-down women to try it." Mrs. Joseph Carter, State Road, N. C.

It all the tired, overworked, run-down women in Connellsville could only realize how our delicious cod liver and iron tonic, Vinol, supplies the vital elements necessary to build up blood and strength, we wouldn't be able to supply the demand. Laughrey, Drug Co.—Adv.

### RHEUMATICS SHOULD

### KEEP FEET DRY

Drink Plenty of Lemonade and Water and Avoid Alcoholic Drinks.  
All this talk that rheumatism can't be cured, that people must suffer terribly, agonizing pain and swollen joints until the disease has run its course, is all humbug.  
Modern physicians know this, and many of them are prescribing a doctor's prescription known as Rheuma, which all good druggists keep in stock. To and rheumatism or sciatic and banish it forever, you must fight it and conquer it with something more powerful than the poisonous secretions that cause it.  
Rheuma is a powerful yet harmless remedy, and the very first half-teaspoonful dose you take will indicate to you that the poisons are leaving your system.  
A. C. Clarke or any druggist from whom you purchase Rheuma will gladly hand you back your money if two 50-cent bottles do not stop the gnawing pain, the sharp twinges, and reduce the swollen, twisted joints.

## PROMOTIONS MADE AMONG OFFICIALS OF THE P. & L. E.

**J. W. Riley Becomes General Superintendent of the System.**

**J. B. YONE, JR., GOES UP**

Becomes Assistant Superintendent; Work on Yard Improvements Here in Progress; Western Maryland Block System is Well Under Way.

Important promotions have been announced by the Pittsburgh & Lake Erie railroad. Superintendent J. W. Riley has been promoted to the position of general superintendent. This is a new position, giving Mr. Riley greater authority than he has heretofore enjoyed as superintendent. J. B. Yone, Jr., is promoted to be assistant superintendent with headquarters in Pittsburgh. F. S. Waigel, formerly assistant trainmaster, is assigned to passenger service. The position of passenger trainmaster is abolished. N. K. Hoffman is appointed superintendent of freight transportation. A. D. Brown, for some years chief clerk to the general manager, has been given the position of assistant to the general manager.

**FINISHING CONCRETE WORK.**  
The pit of the Baltimore & Ohio turntable during the recent cold days looked as though an army had bivouacked in it. In order that the work could go on and the concrete not freeze, the fire was ordered built and one is placed every two feet. They serve the purpose although it is very smoky.

The fires are kept up with coal and black smoke pours forth. It makes working for the men difficult when the wind blows in the wrong direction, but the concrete work goes on without delay on account of the weather. The outer walls have been almost finished and with the coming of warmer weather the work will be hurried to completion. The heat from the temporary stoves helped, over that, however. Men are also at work cutting out what is left of the old retaining wall. These men are hampered by the strike of the blast as it is necessary to use a drill to cut away the old concrete.

**LOCOMOTIVES ORDERED.**  
Orders were received yesterday by the Altoona shops of the Pennsylvania railroad for the construction of 100 locomotives. The Altoona car shops have also been ordered to build 1,000 steel box cars and 75 freight cars. These orders, with others already on hand will keep the Altoona shops working at full capacity until November and the car shops until the middle of next summer.

**STRENGTH FOR LOCOMOTIVES.**  
Hiram Percy Atkins, inventor of the gun silencer and muffler for motor boats and general motor car engine, is now going to quiet the exhaust of the locomotive. He believes the exhaust steam passing through the smoke stack will be reduced to scarcely a noticeable and not unpleasant "puff puff." The exhaust from the steam cylinders will be piped to the engine pilot, on which will be attached the silencer.

**INSTALLING BLOCK SYSTEM.**  
The electric automatic block system that is to be put into use on the Western Maryland railroad has been extended to near the station on the West Side. Work was commenced on the eastern end of the line. The system is not in working order, but everything is being set into order for the purpose of connecting it up.

**HEAVY TRAFFIC HERE.**  
The eastern traffic on the Western Maryland railroad is running much heavier than the western. Business to the east is heavy and many freights are sent over the road in that direction, but there are not loads for the locomotives to bring back. Many of them are deadheaded through here.

**HEADLIGHT FLASHES.**  
The Pennsylvania railroad has placed contracts for 5,000 flashlight cars. The number of the Cambria Steel Company will construct 3,000 and the remaining 2,000 by the Inland Steel Co. of Chicago.

The evening train on the Indian Creek Valley railroad failed to make connections with the Baltimore & Ohio train at 49 last evening. The engines were forced to stay over until this morning's train. The station was used as a sleeping room. A truck of a freight train caused the delay on the Valley road.

George Macey, a conductor on the Confluence & Oakland branch, has received a letter from Dr. Kilmer & Co., Birmingham, N. Y.

**"TIZ" FOR SORE, TIRED FEET—AH!**

**"Tiz" is Grand for Aching, Swollen Tender, Calloused Feet or Corns.**

Ah! what relief. No more tired feet; no more burning feet; no more swollen, aching, sore, red, inflamed feet; no more soreness in corns, callouses, bunions. No matter what ails your feet, or what under the feet you've tried without getting relief, just use "Tiz." "Tiz" is the only remedy that draws out all the poisonous exudations which puff up the feet. "Tiz" cures your foot trouble so you'll never limp or draw up your face in pain. Your shoes wear and your feet feel better. You will never have hurt or get sore and swollen. Think of it, no more foot misery, no more agony from corns, callouses or bunions. Get a 25-cent box at any drug store or department store and get instant relief. Wear smaller shoes. Just once try "Tiz." Get a whole year's foot comfort for only 25 cents. Think of it—Ad.
